

# **OFFICER VIRTUAL ACADEMY**

## **COURSE SYLLABUS:**

### **Active Shooter Scene & Response Management**

#### **Course Location:**

This is a virtual course, offered online only and available to registered users of the Officer Virtual Academy at all times.

#### **Instructor Information:**

Lt. Frank Borelli - LE Instructor / Editorial Director

With over 35 years of operational experience and more than 30 years of instructional experience, Lt. Borelli has taught programs involving firearms, defensive tactics, officer survival, active shooter response and more to officers from all levels of government to include city, county, state, federal and military. He remains active in law enforcement, continually training and being trained to keep his skills up to date and sharp.

#### **Course Description:**

This course of instruction reviews some of the management and supervisor concerns not usually addressed in active shooter response courses. While active shooter events can occur at any location, this course focuses on schools.

#### **Prerequisites:**

It is recommended that prior to taking this course, the attending officer take the Active Shooter Response Protocols course to fully understand the responding patrol officer priorities on scene.

#### **Course Sequencing:**

This course is a personal-knowledge-only (in-service credits currently available in Maryland) program. It is recommended that the student officer view/attend the following courses before viewing this one:

Boyd's Cycle Applied to Conflict Survival

Off-Duty Survival Protocols

The following course is required in Maryland:

Active Shooter Response Protocols

# **OFFICER VIRTUAL ACADEMY**

## **COURSE SYLLABUS:**

### **Active Shooter Scene & Response Management**

### **Course Objectives:**
