

OFFICER VIRTUAL ACADEMY

COURSE INTRODUCTION

Improvised Weapons Identification & Awareness

This is an online only (virtual) training course that is meant to familiarize officers to be alert for and recognize improvised weapons. This course addresses improvised or unique firearms, edged weapons, impact weapons and tools used to escape custody.

The course includes a PowerPoint slide show that corresponds to the four training videos. The total viewing time for the videos is approximately 35 minutes broken down into four segments. For viewer's reference there is also a downloadable PDF version of the PowerPoint presentation, perfect for use in taking notes. A course syllabus and extra reading resources are also included in the training materials.

If there are any questions with regard to the content, please contact the instructor:
