

# **OFFICER VIRTUAL ACADEMY**

## **COURSE INTRODUCTION**

## **Contextual Decision Making**

This is an online only (virtual) training course that introduces the student officer to the concept of Contextual Decision Making, the role it plays in officer survival as well as any negotiation situation, and how it can be trained as a skill.

The course includes a PowerPoint slide show that corresponds to the five training videos. The total viewing time for the videos is approximately 74 minutes, broken down into five (5) approximately equal segments. For viewer's reference there is also a downloadable PDF version of the PowerPoint presentation, perfect for use in taking notes. A course syllabus and extra reading resources are also included in the training materials.

If there are any questions with regard to the content, please contact the instructor:
